## **Policy: Use of Church Building and Grounds**

Policy: It is the policy of the Parker Ford Church to use the church building and grounds for purposes in keeping with the mission and vision of the church and/or to benefit the community.

1. All use of church building and grounds outside regularly scheduled worship services will be scheduled by the Church Secretary, and recorded on a master calendar.
2. Any request to use the church property will require the sponsorship of a church member, who will assume responsibility for that activity.
3. Requests to use the building and grounds will be submitted as far in advance as possible, using a Church Use Request Form (attachment).
4. Routine requests will be approved/disapproved by the Secretary. A copy of the request form will be returned to the requestor with approval/disapproval notification in a timely fashion.
5. Requests for use of church property that may not be in keeping with the mission and vision of the church and/or of benefit to the community will be forwarded by the Secretary to the Trustee Boards for review. The trustees may seek counsel from the Moderator, the Worship Committee, or members of the Pastoral Team, regarding the approval/disapproval of these requests, and will report the final decision to the Secretary.
6. Under no circumstances will alcohol, gambling, smoking, or use of profanity be permitted on church property.
7. Conflicting requests will be prioritized, negotiated, and ultimately approved or disapproved by the Trustee Board
8. Funeral and memorial services, or similar activities considered vital to the congregation may result in canceling or rescheduling previously approved requests, as determined by the trustees.

### **Procedures:**

1. The Responsible Person for each activity will arrange to have the church opened and closed by a Key Holder (Key Holder list may be obtained from the Secretary).
2. The Key Holder is responsible for making adjustments to heating and air conditioning in the area being used, and assuring lights are turned off and doors locked at the end of the activity.
3. Users of the building/grounds will leave it in the same condition as it is found. Furniture or equipment may not be moved without prior approval. Users of the building will confine their activities to the area of approved use and the restrooms. In particular, kitchen supplies/equipment and the nursery may not be used without prior approval.
4. The Responsible Person will notify the Secretary of any problems encountered during the use of the building/grounds, including any broken equipment or damage to the facility, and assures custodian duties are complete when the individual/group has taken on this responsibility.
5. The Key Holder will assure lights are turned off and doors locked at the end of the activity.
6. The Secretary will determine activities for which a Special Events Coordinator is needed (i.e. wedding receptions, banquets), will give a copy of the Usage Request Form to the Coordinator, and will instruct the Responsible Person on contacting the Coordinator.

## **Fees:**

1. No fees will be charged for use of the building for church-sponsored activities (i.e. worship services, Bible study groups, Girl Scout Troop meetings, funerals).
2. The trustees have the authority to adjust fees based on the means/need of the requestor. Fees are intended to recover the expenses associated with facility use. Routine approvals will be made by church staff, with exceptions or special circumstances to be considered and acted upon by the trustees.
3. Church members may receive a refund of custodian fees, after inspection, should they choose to personally perform custodian service.
4. Payment in full of all agreed upon fees is due one week before the schedule facility use. Once facility usage fees have been established, any change in the agreed upon arrangements, including adjusting the times for access to the building, may result in additional charges.
5. A security deposit of \$100 for non-members, (\$20 for members), is required at the time of paperwork completion to reserve the facility. This deposit will be refunded barring any unanticipated costs related to the facility use.
